## Bishop's Appeal: Please Help our Parish Hit the Net!

As of June 7<sup>th</sup>, 2018, 69 people have now donated **96.53%** of St. Mary Magdalen's Bishop's Appeal goal.

Our goal this year is **\$27,700.00**, and we have raised **\$26,739.99**. **We're less than \$1000 from our goal!** If you have not yet contributed, please do so soon. (Or you may give twice!) You may go to the Diocesan website, [tinyurl.com/BishopsAppeal](http://tinyurl.com/BishopsAppeal); use an envelope located in the pew; or make a one-time or periodic EFT donations on our site: [marymagdalen.org/donate](http://marymagdalen.org/donate).

## St. Vincent de Paul Thanks You

Richard, Judy, Troy and Ceara of our parish [St. Vincent de Paul Conference](#) would like to thank you for your continuing generous support. **From March through May, through EFT and plate donations, you gave a total of \$1,907.29**, which allows them to help our neighbors in Berkeley and Albany who face an emergency need for food, shelter or utility bills.

**SAVE OUR CORKBOARDS!**  
Please, *do not* use masking tape to affix notices to the Bulletin Boards. The tape causes the cork to detach. Instead, use the thumbtacks provided.

At **Noon on Thursday, July 12<sup>th</sup>, 2018**, Fr. Nick will hold the 3rd in a continuing series of quarterly luncheons with parish 'seniors' in the Parish Hall. All parish seniors—or parishioners of any age—are invited to participate.

**Registrations will be taken later this month.**

## Father's Day

The famous scripture scholar, Raymond Brown, once wrote: "There are only two words we can be absolutely certain Jesus spoke, 'Abba', and 'Amen'." The first one is significant for Fathers' Day. *Abba* is a Hebrew word that literally means 'Daddy'. That this word is prominent in the Gospels says much about Jesus' relationship with his heavenly Father and a lot about the nature of fatherhood for Christian men.

Guido Reni, *St Joseph with the Infant Jesus*.  
c. 1620. Hermitage Museum, St. Petersburg, Russia.

Without diminishing these characteristics in mothers, society puts many expectations on fathers. They are to be protectors, providers, mentors, correctors, defenders and leaders. There is a certain fierceness that is expected of fathers that inspires both respect and fear. All of these traits are also attributed to God the Father, but there is another quality that's not so easy to define: an intimate confidence in the ideal of fatherhood that reflects an unlimited love between father and child. This rapport can be summarized in the way Jesus used the word *Abba*.

As fathers, do we allow our children to be close enough to us that they can curl up in our arms and call us 'Daddy'? When we are older children, do we allow our fathers' continued intimacy? Jesus tells us that this intimacy is the ideal relationship between God and ourselves. As we celebrate Fathers' Day this year, let us take some time to consider the ideal parent-child relationship, and the ideal of our relationship with God.

## LOST & FOUND INFORMATION

## Our Deacon is Now a Priest!

On Saturday, June 9<sup>th</sup>, Deacon David Paternostro, SJ, was ordained a priest by Archbishop Terrence Prendergast, SJ, of Ottawa. Parish Council Chair Katie Strausser (a high school friend of Fr. David), YAMMs member Mary Price, and Sacristan Paul Sporer were in attendance, along with Priest-in-Residence Fr. Laurent Okitakatshi and, of course, fellow Jesuit, RCIA Director Jonathan Harmon, SJ :

His first assignment as a priest will be to serve at [Immaculate Conception Jesuit Church](#) in New Orleans. As he revealed in his responses to the *20 Questions* interview here in February 2017, his father's family originally came from New Orleans, and so in a sense, Father David is 'coming home'. ## Final Week of the Poor People's Campaign ... Which is About All of Us!

The 40-day Campaign ends this week, and will culminate with a major demonstration at the U.S. Capitol on June 23<sup>rd</sup>. The final theme — “**A New and Unsettling Force: Confronting the Distorted Moral Narrative**” — emphasizes the profound consequences of a distorted moral narrative that ignores poverty, healthcare, decent jobs, and other crises facing the poor in the U.S. today. The Campaign points out that an estimated 10,000 people will die every year from a new federal tax bill provision that will take away healthcare from 13 million people. Thousands have already died because some states have denied Medicaid expansion. Already over 250,000 people die from poverty and related issues every year.

The aim of the Campaign is hold our leaders to account for these realities. It demands that we ground budget allocations in a *moral narrative that prioritizes and follows our deepest religious commitments to justice*, and in the Constitutional purpose of our Government: “... to establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare and secure the blessings of liberty to ourselves and our posterity.” This is why the Campaign is relevant and important to **all of us**.

**Reminder:** the **Poor People's Campaign** echoes and renews the call for a ‘revolution of values’ launched 50 years ago by Dr. Martin Luther King, Jr. To Dr. King's “triplets of evil” — **militarism, racism, and economic injustice** — has been added a fourth evil: **ecological devastation**, which disproportionately affects poor communities.

For more information, or to support the Campaign, go to [poorpeoplescampaign.org](http://poorpeoplescampaign.org).

## The Catholic Climate Declaration

The Catholic Climate Declaration, an initiative of the U.S. Conference of Catholic Bishops, aims to inspire and equip people and institutions to care for creation and for the poorest and most vulnerable people in the planet. Parishes throughout the country have endorsed the Declaration, which will be made public on June 18<sup>th</sup>, the third anniversary of the release of Pope Francis' encyclical *Laudato Si*. **Many thanks to Father Nick for including St. Mary Magdalen Parish in the list of endorsers!**
