Outdoor Mass Guidelines

Remember, Do Not Come:

1. if you are ill,
2. have a fever,
3. experienced recent loss of smell or taste, or
4. experienced a recent cough.

There is a screening process we need to do before the Mass. Please cooperate with the people at the gate.

For your comfort, bring your own chair or cushion. The parish red plastic chairs are placed in the garden (see photos).

Please remember, the bathrooms remain closed during the Shelter-in-Place.
